

NEW SCHEDULE FOR THE B. & O. TRAINS

Monongahela Railway Will Also Make Slight Changes for Winter.

In order to permit through New York to Chicago passengers traveling via Pullman to make connection with train 31 out of Benwood Junction, the Baltimore and Ohio railroad company has announced that its new winter schedule will show Train 55 leaving Fairmont at 4:25 instead of 6:13 p. m. This change will not affect travel out of Fairmont on this train inasmuch as most tickets sold for this train are for Wheeling, where connections can be made for most points west.

Train No. 53 from Fairmont to Morgantown, Connellsville and Pittsburgh will leave Fairmont at 4:10 p. m. instead of 4 p. m. Train No. 3 Fairmont to Clarksburg on the new timetable leaves here at 10:10 a. m. instead of 10 o'clock.

The Monongahela railway also states that a change will be made in the running time of Pennsylvania express which leaves here at 4:18 on the present schedule to the extent that the train will run from Fairmont to Pittsburgh in two minutes less time. Schedule changes take place December 2.
